

Robert Karzijn

Student Information Sciences

Profile

My name is Robert Karzijn, I am 21 years old and I live in Epe. People around me describe me as a friendly and helpful person who is very eager to learn. I am open and clear in my communication, good at solving problems and I also think very critically.

Ever since I was young, my passion has layed in the technology and IT sector. It interests me enormously and I also enjoy learning everything I can about it.

EDUCATION

Universiteit Utrecht - Utrecht

Bachelor Information Sciences 2023 - Present

Christelijk College de Noordgouw - Heerde

Atheneum (Pre-University Education), Nature & Technology Track 2017 – 2023

WORK EXPERIENCE

Amac Apple Premium Reseller

Junior Sales Associate 2024 - 2025

Medior Sales Associate 2025 - 2026

Senior Sales Associate | Daily Operations Lead 2026- Present

As a Sales Associate at Amac, I advise customers on Apple products and services. I also support daily shop operations, assist colleagues and act as a point of contact to ensure a positive experience for customers. Ensuring a positive (working) environment for both the team and our customers.

Universiteit Utrecht

Student-Assistent 2025 - 2025

As a Student Assistant, I supported the courses Design of interactive systems and process modelling. I guided students during tutorials and assisted them with assignments.

Albert Heijn Epe

Shelf Replenisher 2019 - 2024

During my time at Albert Heijn, I worked across various departments, using my flexibility to support each team efficiently and ensure all shelves were properly stocked and presentable.

EDUCATIONAL EXPERIENCE

exec(ut) conference

Organisation 2025 - 2026

Within the committee I am responsible for recruiting speakers, maintaining relationships with them and supporting the committee in the planning and execution of the conference.

Universiteit Utrecht

Bsc Open days representative 2024-2025

Open Days Representative for Utrecht University, supporting student outreach and advising prospective students about the Information Science Bachelor.

Wilhelmina Kinderziekenhuis

Design of interactive systems 2023-2024

In collaboration with the Wilhelmina Children's Hospital, we designed a smart alarm system tailored to the requirements set by the WKZ.

LANGUAGES

English - Full professional proficiency

German - Limited working proficiency
